DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Airport Improvement Program Grant Assurances; Proposed Modification and Opportunity to Comment

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed modification of airport improvement program grant assurances and of opportunity to comment.

SUMMARY: The FAA proposes to modify the standard grant assurances required of a sponsor before receiving a grant under the Airport Improvement Program (AIP). Pursuant to applicable law, the Secretary of Transportation is required to provide notice in the **Federal Register** and an opportunity for the public to comment upon proposals to modify the assurances or to require any additional AIP assurances. These modifications are necessary for two reasons.

First, much of Federal transportation law was repealed and reenacted without substantive change by enactment of the Codification of Certain U.S. Transportation Laws as Title 49, United States Code, Pub. L. No. 103-272, 108 Stat. 745 (July 5, 1994). Aviation programs, including the AIP, are now found in Subtitle VII of Title 49, rather than the original statutes under which those programs were originally established. Consequently, statutory

citations in the existing grant assurances are now obsolete and the modifications published here cite current law.

Second, Pub. L. 103-272 was amended by enactment of the Federal Aviation Administration Authorization Act of 1994, Pub. L. No. 103-305 (August 23, 1994) (the 1994 Act), which made substantive changes to the statutory grant assurances. The modifications to the grant assurances also incorporate those changes.

For ease of reading, Title 49, Subtitle VII, as amended by the 1994 Act will be cited throughout the remainder of this notice as Title 49, U.S.C., as amended. In the actual assurance, however, the reference further specifies Subtitle VII.

DATES: These proposed modifications to the Grant Assurances will be effective on an interim basis on January 4, 1995. Comments must be submitted on or before February 3, 1995. Any revision to the interim Assurances which are necessary or appropriate in response to comments received will be adopted on or before May 4, 1995.

ADDRESSES: Comments may be delivered or mailed to the FAA, Airports Financial Assistance Division, APP-500, Room 615, 800 Independence Ave., SW., Washington, DC 20591.

FOR FURTHER INFORMATION CONTACT: Mr. James Borsari (Management and Program Analyst) Telephone (202) 267-8822.

SUPPLEMENTARY INFORMATION: The Secretary must receive certain assurances from a sponsor (applicant) seeking financial assistance for airport planning, airport development, noise compatibility planning or noise mitigation under Title 49, U.S.C., as amended. These assurances are submitted as part of a sponsor's application for Federal assistance and are incorporated into all grant agreements. As need dictates, these assurances are modified from time to time to reflect new Federal requirements. Notice of such proposed modifications is published in the **Federal Register** and an opportunity provided for comment by the public. The current assurances were published on February 3, 1988, at 53 Fed. Reg. 3104 and amended on September 6, 1988, at 53 Fed. Reg. 34361, on August 29, 1989, at 54 Fed. Reg. 35748 and on June 10, 1994 at 59 Fed. Reg. 30076.

FAA uses three separate sets of standard assurances: Airport Sponsors (owners/operators); Planning Agency Sponsors; and Nonairport Sponsors Undertaking Noise Compatibility Program Projects (hereinafter referred to as Nonairport Sponsor Assurances). FAA is planning to modify the

assurances currently in use to reflect some changes in the general requirements as discussed below. The changes contained herein affect all three sets of assurances.

Section A, "General," subsection 2, of the Airport Sponsor Assurances, Nonairport Sponsor Assurances, and Planning Agency Sponsor Assurances is modified to delete references to the Airport and Airway Improvement Act of 1982, as amended; the Aviation Safety and Noise Abatement Act of 1979; and the Airport and Airway Safety and Capacity Expansion Act of 1987. In their place is inserted the reference to the codification of transportation related laws, Pub. L. No. 103-272, 108 Stat. 745 (July 5, 1994), which repealed and recodified these acts without substantive change to their content.

Section C, subsection 1, "General Federal Requirements, Federal Legislation," in each set of assurances is modified to delete the references to the Federal Aviation Act of 1958, 49 U.S.C. 1301, *et seq.*; Airport and Airway Improvement Act of 1982, as amended, 49 U.S.C. 2201, *et seq.*; and the Aviation Safety and Noise Abatement Act of 1979, 49 U.S.C. 2101, *et seq.* These acts were repealed by Pub. L. No. 103-272, which codified the above at 49 U.S.C. 40101 *et seq.* without substantive change to their content.

Section C, subsection 11, of the Airport Sponsors Assurances, "Local Approval," is deleted in its entirety due to the 1994 Act's repeal of Section 30 of the Airport and Airway Development Act of 1970, as amended.

A new section C, subsection 11, "Preventive Maintenance," is added to the Airport Sponsor Assurances due to a new requirement in section 107(a) of the 1994 Act which is effective for all projects approved after January 1, 1995, for the replacement or reconstruction of pavement at an airport.

Section C, subsection 22, of the Airport Sponsor Assurances, "Economic Nondiscrimination," is amended by deleting the word "equal" in subsection (b)(1), since the FAA can find no statutory basis for the inclusion of that word.

Section C, subsection 26, of the Airport Sponsor Assurances, "Reports and Inspections," is deleted in its entirety and is substituted by a new subsection 26, "Reports and Inspections." The new subsection consists of language taken from the existing assurance which was recast without substantive change using subparagraphs to improve readability. It also includes language necessary to implement section 111 of the 1994 Act, "Airport Financial Reports," which

imposes on each airport sponsor a new reporting requirement to submit certain reports regarding revenue use at the airport.

Issued in Washington, D.C. on December 20, 1994.

Paul L. Galis,

Director, Office of Airport Planning and Programming.
